

# Sandhills 2016-17

## Grade 1 Supply List

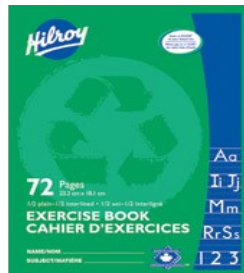

Please send all supplies on the first day of school. Mark your child's name on everything, including pencils. Please ensure that all of their items such as jackets, shoes, and backpacks also have their name clearly printed on them. All extra supplies will be stored until they are needed, and will be returned to you if there should be supplies left at the end of the year. School safety regulations state that all students must wear shoes inside the school. In order to help the custodians, and minimize cleanup, students must have a pair of shoes that are only worn inside. These need to have **non-marking soles**. Please avoid shoes that make black marks as the marks difficult to remove.

### Supply List

**NOTE:** If your child has difficulty in keeping shoes tied, please send shoes with Velcro, or other fasteners until they are able to tie their shoes on their own.
