School Mission: Sandhills Elementary School is a safe, fun place where our minds and bodies grow.

Written by the Students of Sandhills

September 4, 2018

Welcome Back!

Like at home, the excitement for the new school year surrounds the school staff. In anticipation of the arrival of students, teachers have been very busy this past week preparing their classrooms and planning for instruction. With such a dedicated and passionate staff, we are sure to provide you and your child[ren] a great year at Sandhills.

As we welcome back familiar faces, a special welcome goes out to our new students and new families. A special welcome also goes out to the new staff joining the Sandhills team.

New Staff at Sandhills

For the 2018-2019 School Year, we welcome the following new staff to Sandhills:

- Robyn Carey – ECS
- Kendra Booker – Grade 1
- Emily Kelly - Grade 2
- Bethany Porter – Grade 2
- Kat Smith – Grade 2
- Megan Hoddinot – Grade 3
- Nikita Derkson – Grade 3
- Twila Olson – Secretary
- Gilbert Morris – Principal

A list of school staff and the important role they play at the school is provided in the **Parent Information Handbook**, which can be found at the beginning of the student agendas.

Student Agendas

Sandhills is pleased to offer student agendas for the 2018-2019 school year from grades ECS to 3.

- Agendas are being provided free of charge. If your child loses their agenda a \$10.00 replacement fee will be charged.
- We would ask that parent notes be written in the agendas on the appropriate date.

We hope you find the agendas a useful means of communication throughout the school year.

School Fees

We do not collect school fees at Sandhills.

School Cash Online

You will be receiving information in the coming weeks regarding School Cash Online. School Cash Online is available to parents for paying for snack cards and yearbooks online. This program is optional to parents.

Student Pick-up Procedures Reminders

There is one designated spot for picking up children at the end of the school day – the sidewalk at the southwest corner of the school.

- Teachers have been instructed to escort children being picked up to that location, and to release them only to parents, or those authorized by parents to do so.
- Parents should be aware that teacher responsibility for supervising students ends when the last bus has departed – usually at 3:25 p.m.
- Parents who live across from the school can have their children walked across the street at the end of the day. Designated staff will wait at the front of the school for students who are walking home and escort them across the crosswalk.

FVSD 52 security regulations require that all exit doors to the school, except the Front Entrance, are locked throughout the school day.

- If you need to pick up your child during the day for an appointment, taking your child home early or are visiting a classroom as a parent volunteer, please check in with the office first.

Parking for Sandhills Parents

We have three lanes of parking available to parents. One of the lanes is in front of the school closest to the main road and there are 2 additional lanes in bus lanes closest to the main road. Use of those two lanes by parents will assist in over-parking in front of Sandhills. Please park in a single line (do not double park) at all times.

Note: Buses take priority and will need to exit the bus lanes promptly once Sandhills and Ridgeview students have boarded. At this point, parents are requested to wait for all buses to depart before leaving the parent parking area.

Is your child taking the bus, being picked up or walking home? Your child's teacher needs to know.

If you haven't done so already, write in your child's school agenda the usual method your child will be leaving school each day whether they will be taking the bus (provide a bus #), walking, biking or you will be picking them up.

If you would like your child to go to an alternate destination at the end of the day, please enter that information into the school agenda.

In the event that there is a last minute change of events, office staff are happy to assist. Please call the office before to 3:00 pm. If the call is after 3:00 pm it may be difficult to get your message to your child's teacher. We want to ensure the safety of all students.

Bicycles and Bike Helmet Reminder

All students who ride their bike, skateboard, or scooter to school must have a bicycle helmet on. Students will park their bikes in front of the school.

Students without helmets will not be allowed to ride their bike home. We care about your children and want to do our part in ensuring their safety.

Thank you for your support.

Fort Vermilion School Division Student Profiles

In order to improve our record keeping of student information, we have sent home **school registration forms for students in grades ECS to 3. Please look for 2018-2019 Student Profile (salmon colored papers) located in the clear pocket of your child's agenda.**

- If you have a child attending Sandhills this year or in previous years then your child is already registered, however we ask that you **read and correct** this form to assist us in improving our record keeping.
- Update any medical concerns your child has in the **Medical Considerations** section.
- Please be sure to complete the **Anti- Spam Legislation (check yes or no) and FOIPP section (check yes or no to each statement).**
- **Date and sign the form on page 3 and page 5.**
- Please have the form returned to the school as soon as possible so we can update our school records.

If you have any questions regarding the form you can contact the school at **780-928-3947**. Thank you for assisting us with this matter.

Bell Schedule for 2018/2019

The School Day at Sandhills Elementary for the 2018/2019 school year will **begin at 8:43 a.m.**

A schedule is provided below of our school day:

Time	Event

3:10 p.m.	Dismissal Warning Bell
3:15 p.m.	Dismissal

Sandhills will be following a Monday to Friday schedule for the 2018-2019 School Year.

Sandhills is a Nut Safe school

Please be advised that we **do have known allergies to peanuts/nuts** within our student population at this time. **Please do not** send your child with food that contains peanuts/nuts.

Students and Medication:

Student well-being is extremely important to Sandhills Elementary School and we recognize that some students may require prescription medication during the school day.

- **If your child is in need of prescription medication while they are at school, you must contact the school and come in to fill out a form that provides the school with all the necessary information about the medication and administration times.**
- **Do not send medication to school in your child's backpack.**
- **All medications must be brought to the school by a parent or guardian, be in the original container with the original prescription. The medication will kept in the office until the time it is to be administered to the student.**
- **Over the counter medications, including vitamins, cough drops, etc. can not be administered by school staff.**

If you have any questions please call the school **(780-928-3947)**, we will make sure your child's needs are met.

Physical Education at Sandhills

I am looking forward to this school year as gym teacher at Sandhills. Please make sure your children come to school every day with running shoes that are easily tied tight enough so they will not fly off while running fast. Flip flops and heeled/dress shoes are dangerous in the gym and may cause accidents and injuries.

Thank you so much for your help in this matter!
Please contact me if you have any concerns at all.

Mr. White

More About Sandhills

Sandhills' motto is: "**CARE.**" CARE Represents:

C = Caring

A = Accountability

R = Respect

E = Excellent Effort

At Sandhills we are ready for a new school year and have an excellent education plan that is focused on:

- **Improving our students level of achievement in literacy and numeracy**
- **Actively nurture connectivity and well-being among SHES students, parents and staff within a healthy active school and community environment.**

We have a number of strategies that will support and improve the culture of literacy and numeracy. Along with suggestions from our Care Bear Council (student council), staff and our school council we will develop strategies to improve the well-being and connections between all members of the Sandhills school community.

We will also continue to take a school wide approach with the promotion of reading:

We ask that students, with the help of their parents, record the number of minutes the child reads each evening at home in the student agenda.

The number of minutes read will be shared with students and staff. Reading goals will be set at school, and as goals are achieved, we will have school wide literacy celebrations.

We plan to have three literacy celebrations to celebrate home reading by our students.

We ask that students read a minimum of 10 minutes a night and track when they complete books during independent home reading.

Your support at home will make a significant contribution to your child's education. Studies show that children who read independently at home or who have quality reading time at home tend to experience increased success in school.

Children who read increase their motivation to read and have more positive attitudes toward reading.

Independent reading is when your child can select books to read on their own, to themselves, or others. When children can read independently they become confident and motivated readers.

Some simple ways that you can support home reading by your child are listed below:

- Establish a reading routine. [If you are too busy on certain evenings have your child read to a younger sibling.]
- Make reading fun
- Let your child choose the book
- Be comfortable, minimize distractions
- Praise your child for reading
- Encourage discussion about the book

We hope to continue and build upon the success our students have had with home reading over the past number of years.

We can't do this without the parents. Your support with home reading will make all the difference to our collective success. 10 minutes is enough to make a difference!

Thank you in advance for supporting your child's education.
