

Final Learning Package

This information is regarding our last learning package pick-up that will occur on Monday, May 25th at the school gym.

Since busses will not be delivering packages this time around, all parents will pick up their packages in the gym according to the following schedule based on the parents' last name. This will avoid overcrowding and allow for social distancing requirements as outlined by Alberta Health Services.

Please enter the gym using the south entrance and proceed to the row with your child's class identified to pick up their learning package. After you have picked up your child's package, please exit the gym through the north exit.

If you have items that need to be returned to the school, you may leave them on the floor in the gym during this pick-up time.

Please ensure that you are not visiting in the gym during this pick-up and be sure to adhere to the 2m (6 ft) distance requirements. If you cannot make it during this time, please call the school to arrange for another pick-up time.

We suggest that you not open the package for 4 days to avoid any possible contamination.

Thank you so much for your cooperation in this most unusual time.

Last name begins with	Pick-up time
A-D	9-10 am
E-H	10-11 am
I-L	11-12 am
M-P	12-1 pm
Q-T	1-2 pm
U-Z	2-3 pm
