

Student Learning Package 4

Since buses will not be delivering package 4 to you this time we are asking all parents to pick up their packages in the Sandhills Gym on Monday, May 25 according to the schedule based on the parents' last name. This will avoid overcrowding and allow for social distancing as per Alberta Health Services guidelines.

Please enter the gym via the south doors and line up at the table to receive your child's package. After pick-up, please exit through the north doors.

Please return all library books or other school items to the gym at this time.

If you cannot make it during this time, please call Sandhills School at 780-928-3947 to arrange another pick-up time.

Thank you for your cooperation in this most unusual time.
